

I arrived here at Mariners Inn on 11-23-08 because I needed some help with a crack cocaine addiction. I've been here now for 3 1/2 months. I'm currently in the Transitional Housing Program now. The reason that I'm still here is because I needed to continue to get help. The staff here have been terrific, they have helped me a lot and continue to meet all my needs to help with my recovery. The staff do what is needed to assist anyone's needs. I would tell anyone that needs help to come to Mariners. I'm going to take full advantage of this opportunity because it's the right place to be for me and anyone.
